All programs are licensed and offer families within the district quality care before and after school. We also provide care on some holidays, half days and in-service days. Children will have the opportunity to engage in age-appropriate activities including: arts & crafts, large group/circle time, math & science activities, open choice time, quiet reading time and recreational activities both indoors and outdoors. Snack is provided before school and after school. All staff have been thoroughly screened, fingerprinted and are CPR/First Aid Certified.

Recreation & Enrichment Program Discount: Students enrolled in Before & After School Care may be eligible for a 25% discount on classes that coincide with the student's before & after care schedule. If your child would like to participate in a Community Education class please register for the class (online, by phone, in person), pay full price for the class at the time of registration, notify CE before the class begins to inquire about your discount. It is your responsibility to call the Saline Community Education office (429-8020) before the class begins to inform them that your child is in Before & After Care and is registered for a Recreation/Enrichment class to receive the discount. Please do not register for "Class & Care Combo" (CCC) classes.
